March 28, 1979

Director for Public Affairs  
Central Intelligence Agency  
Washington, D. C. 20505

Dear Sir:

Would it be possible for you to send me a copy of a Central Intelligence Agency study which was reported in the newspapers on March 22 which warned of the ability of the United States to recover from the loss of Iranian oil and of major shortages, higher prices and an economic slowdown?

I also would like to be placed on your mailing list to receive copies of all reports which deal with Asian countries.

Thank you very much.

Yours truly,

*Jeremiah Novak*
